## Celebrating Matariki: Building Connections Across Generations

Over the month of June, we celebrated the Māori New Year or Matariki with lots of exciting activities with the residents. This is a time to celebrate new lives, and those who have passed on, with kai (food), waiata (song), and haka (dance).

Residents were busy with baking cookies and pies, creating Matariki decorations, and of course, occasional singing and dancing. Visitors were also well received, especially entertainment provided by local artists and our tamariki neighbors who brought cheer to the residents with their playful songs and dances.

It is very beautiful to see lots of friends and whanau who visited over the holidays. We encourage you to come regularly as spending time with kaumatua is precious and proven to make them cheerful and motivated to stay physically healthy.

Mānawatia a Matariki !

## Proper Matariki Lunch with Residents

On this special celebration, kids from Te Kura Kaupapa o Bernard Fergusson, and special guest Whaea Mutchie came in to sing waiata. Hangi was on the menu, they had chicken, pork, riwai, kumara, pumpkin, watercress, stuffing, fry bread, kutai, raw fish and yummy steamed pudding.
