Thank you to Bathurst Resources!

Kimihia was delighted to welcome Craig Pilcher, General Manager from Bathurst Resources, for a special afternoon tea on the 10th of August, to acknowledge their generous donation to purchase a washing machine and dryer. During the visit, Craig toured the laundry to see the equipment in use and learn about the positive difference it is making for residents and staff. Resident Peter Harris presented Craig with a small token of appreciation and delivered a heartfelt speech, thanking Bathurst for their generosity. We also thank our BOT Member Allan Sanson for making this project possible.
