

KIMIHIA KHRONICLE

The official newsletter of Kimihia Home & Hospital - Huntly

With the help of friends & sponsors, our residents received Christmas gift bags with goodies and essentials. It definitely made them smile!

Clinical Updates

By the end of Jan., our contract with Drs @ 42 will be ending.
We ask the EPOA/NOKs to please visit Clinical Leader or Unit Coor. with the resident's photo ID to complete the necessary enrolment forms.

Here's what has happened in the last month and what's to come!

St. Anthony Catholic School

Carol and Combined Church Group

Huntly Early Childhood Center

Filipino Families in Huntly

The holiday season is over and our residents had a wonderful time because of the individuals, groups, whanau and friends who came to visit and made the holidays extra special.

We had a lot of groups who performed songs, danced and made our residents laugh and sing.

We would like to thank everyone who supported Kimihia Home in 2024 and we look forward to new things coming this year.

Stay tuned and enjoy this month's newsletter!

Kimihia team x

Christmas Summer Hat Competition!

Part of the Christmas celebrations in Kimihia, we had a Summer Hat Competition wherein staff members partnered with residents to create and craft the perfect summer hat for the holidays! We even had a parade for the contestants and the winners were announced during the day of the Christmas Party: 1st Place - Tanimio and Wendy ; 2nd Place Denise and Pare - ; 3rd Place - Elaine and Betty. Congratulations to all the winners and participants for a job well done!

Christmas at Kimihia

December has been full of celebrations. For the staff we had a "Pohutukawa Christmas" theme. We recognized our new staff for the year, Service Awardees and Christmas Hat competition winners.

For our resident's Christmas party, we began by reflecting on our year, something we were very grateful for, and playing the time-honored game of "it's in the bag." This was followed by a delicious meal and entertainment with Charlie, were they danced the afternoon away.

On Christmas Day, our residents had beautiful lunch menu prepared by the kitchen.
